New online videos are concise, practical, and free.

Lawyers across the nation have praised TEN MINUTE MENTOR, a joint project of the Texas Young Lawyers Association and TexasBarCLE, for its practical approach and high-quality free offerings.

Tackling a case in an area of the law with which you’re not fully familiar? Need an introduction or a refresher on a topic? Simply have a legal question that you are embarrassed to ask? Then TEN MINUTE MENTOR, is for you, with over a hundred short instructional videos online, searchable by keyword and indexed both by speaker and category. Some of the state’s best-known experts teach key points of law, firm-building, tactics and personal development. TYLA leaders plan to continue building the collection in coming years.

After viewing a presentation, you may evaluate it on a scale of one to five stars. Your feedback helps us know which presentations are meeting lawyers’ needs and what other kinds of topics need addressing.

Need to know more about a topic? After a presentation, TEN MINUTE MENTOR will direct you to additional CLE that may interest you, including upcoming live and video seminars held by TexasBarCLE. You may also find additional online videos available for a fee in the Online Classroom at TexasBarCLE.com. With nearly 900 CLE hours, the Online Classroom is a ideal way to jumpstart research or earn anticipatory MCLE credit anytime.

Access TEN MINUTE MENTOR tutorials anytime—at no charge—by visiting TENMINUTEMENTOR.com or by clicking on TEN MINUTE MENTOR at TexasBarCLE.com.

An ongoing collection of short instructional presentations for the busy lawyer.

Most computers can play MP3 CDs; many can be used to extract MP3 files and burn them onto audio CDs playable in car stereos. MP3-compatible devices may be combined with a commercially available adaptor to transmit sound to a car’s FM radio or audiocassette player.
