Texas Bar Case Digest

Get case summaries from
your State Bar each week,
wherever you happen to be.

Each summary links to the full court opinion,
so you're only a click away from the actual case.

And the advantages don't stop there:

- ▶ **More cases.** An electronic *Digest* is not limited to a set number of pages, so it may easily accommodate more summaries than a hard copy case service.
- ▶ **Searchable information.** Simply search for words or phrases and get results in seconds.
- ▶ **Easy to read.** Digital text is not confined to paper pages, so it doesn't have to be rendered small to fit more into the allotted space. Furthermore, with most email systems, you control how large the text appears.
- ▶ **Timely delivery.** Email will always outpace regular mail, and delivery is never to the wrong suite or building. Just be sure we have a valid email address for you and "whitelist" our sending address to guard against your subscription being filtered out as spam by your email system.
- ▶ **Customizable to your interests.** Indicate your preference of case summaries in any or all of 30 practice areas; change it at any time.
- ▶ **Access to *Digest* archives.** At TexasBarCLE.com, subscribers will be able to view, word-search, and download case summaries stretching back for years.
- ▶ **A copy for your briefcase.** Each issue of the complete *Digest* will be available as a PDF at TexasBarCLE.com. Subscribers may view, print, or download it whenever they wish.
- ▶ **The least expensive service of its kind anywhere.** For only \$29 per year (about 60 cents an issue), no other case summary service offers so much: weekly delivery of insightful, word-searchable summaries by attorney/editors with over 20 years' experience each.

The *Digest* is dependable, affordable, and easy to use. Sign up now at TexasBarCLE.com.

Registrations are accepted on a space-available basis. Course materials and seating will be reserved for pre-registrants until the start of the first topic. No confirmation will be sent; pick up your name tag and course materials at the program.

Group Those Registrations and Save! Earn discounts for groups of 5 or more. Contact Legal Education Consultant Laura Angle of TexasBarSolutions at 512-250-5575 or langle@texasbar.com

If you belong to the Section, or you agree to join by the date of the course, you save \$25; see the registration form. To join the section, please contact the State Bar's Sections Coordinator, Kathy Casarez, at 800-204-2222, x1420. Please do not send payment for Section membership with your registration fee.

Qualifying Judges may attend free of charge, provided (1) the course is directly related to the jurisdiction of their tribunal, (2) they are full-time judges or judges retired under the judicial retirement system, and (3) space is available after admission of all paid registrants. Judges must actually attend to receive course materials. This privilege does not extend to receivers, trustees, court staff, or persons serving part-time in any judicial capacity.

If You Register But Cannot Attend you can still earn participatory MCLE credit and receive course materials. First, consider transferring your registration to a later presentation of the course; to do so, call 800-204-2222, x1574. Second, as a registrant, you are entitled to special benefits (see "Two Free Online Benefits For Course Registrants," below). However, if you wish to receive a refund instead, mail or fax (512-427-4111) your request so that we receive it at least one business day before the program. Registrants who do not attend will be sent the course materials.

Two Free Online Benefits for Course Registrants will be available 6-8 weeks after the course: (1) streaming video and audio versions of each presentation and (2) electronic versions of the course materials. (Actual length of a presentation may vary from that which was advertised.) To access these benefits, log onto TexasBarCLE.com. To view videos, look under "Your Online Classroom" and click on "Free Classes from Seminars You've Attended." For course materials, check our home page for "Your Online Library." Below that, click on "Free Articles from Seminars You've Attended." Remember: there's no extra charge. As a registrant, you're already entitled!

MP3 CDs require an MP3-compatible device (e.g., an iPod or a CD/MP3 player) for playback. Older CD Players may not play MP3 CDs. Most computers can play MP3 CDs; many can extract MP3 files and burn them onto audio CDs playable in car stereos. MP3-compatible devices may be combined with a commercially available adaptor to transmit sound to a car's FM radio or audiocassette player.

Persons with Disabilities who need special accommodations to attend should contact us as soon as possible at 800-204-2222, x1797.
